

Andrew Prior

Mentor / coach / Team Alchemy

ABOUT

I have a strong passion for developing leaders and teams. I have an in-depth experience as a developmental coach, systemic team coach and mentor in personal and organisational transformations using coaching, facilitating, training and consulting in English, French and Spanish. I love nature and all year round you will find me hiking in the mountains and swimming/snorkeling in the sea. I live with my wife and two grown up kids in Antibes, France.

I AM LOOKING TO MENTOR

I am interested in working with people in a team leadership role, who see the benefits of a coaching culture in their organisation
