Carrier & Life Coach

## ABOUT

I graduated from SKEMA business school, in Lille, 25 years ago, I have been working in the IT industry since then, more precisely in the project management field as consultant, project manager, coordinator, .... 15 years in English.

I recently transitioned as a certified Coach and created my own business, specialising in coaching gifted adults. And I am a single mom of 2 daughters of 17 and 12.

## I AM LOOKING TO MENTOR

Someone wanting to transition into a management position or develop their own personal brand to help them evolve within their organisation or to look for new opportunities.
