**HR Consultant, Amadeus**

## ABOUT

I am Olga Postica, I am 36 years old and I am Moldovan. I graduated from the University of Economic Studies of Moldova, with a degree in Business Administration. I was then hired to work as a Human Resources Manager for a financial company while continuing my studies – a master's degree in Communication and Public Relations.

After 9 years with this company, I felt the need for a change and so I have applied for a master's degree in Economics and Human Resources at the University of Nice, Cote D'Azur. While pursuing my studies, in 2018, I was hired as an HR consultant for Amadeus. After 1,5 years, I was offered the position of managing the team of consultants in the training organization and coordination area. Position that I have held ever since.

I like to teach and to share my knowledge and experience with other people. That is why I am also dedicating time to conceiving and presenting Workshops on self-development subjects. This is also the reason I am offering to be a mentor within the PWN Mentorship Program. I strongly believe that women are stronger when they are together, when they help and support each other.
